

Why Us?

- We hold annual high school voter drives and have helped over 3500 young adults register to vote.
- We partner with the Madison County Probate Office to conduct mock elections using actual voting equipment and realistic ballots.
- We assist disenfranchised citizens understand the changes to Alabama's Moral Turpitude laws and register to vote.
- We provide educational presentations to the community on current issues.
- We install educational displays in Libraries & public spaces across North Alabama.
- We take time to learn about the issues together while socializing along the way.

What we do

EMPOWER VOTERS
We empower voters to exercise their right to vote by holding voter registration drives, sponsoring candidate forums/debates, and educating the public about their rights on Election Day.

PROTECT THE RIGHT TO VOTE
We protect everyone's right to vote against threats and ensure that every vote is counted by fighting for and implementing voting systems that are free, fair, and accessible.

FOSTER CIVIL DIALOGUE
We foster civil nonpartisan dialogue among voters, government, politicians, & subject matter experts about important community issues, such as government spending, climate change, immigration, & civil liberties.
